Making a difference to the lives of children and young adults with chronic or critical illnesses.

**£1 a month
APPEAL**

Welcome to Faces

We need your help!

We aim to benefit the children and young adults of Gibraltar who face chronic or critical illnesses. Typically, these young people and their families will also be financially disadvantaged.

Our purpose is to improve their quality of life by the fulfillment of a wish which will make life more comfortable and enjoyable, no matter how long or short that life might be.

Everyone at Faces is a volunteer; local people helping local people. There are no profits and no employee costs. Therefore, every donation makes a difference.

Please help us give them a reason to smile.
